Terms & Conditions

1. Business-to-Business Transactions Only

Jimeili Electronics strictly as a B2B wholesale supplier of refurbished electronic components and spare parts. Sales are made exclusively to registered businesses, repair service providers, distributors, and import/export companies. Retail consumer sales are not supported.

2. Product Nature

All products are refurbished electronic spare parts intended for professional repair use. Products are not finished consumer electronic devices.

3. Orders & Payment Terms

Orders are processed based on Proforma or Commercial Invoice. Payment terms are defined in the invoice or purchase contract. Ownership remains with the seller until full payment is received.

4. Shipping & Risk Transfer

Shipping terms (EXW, FOB, CIF, etc.) are specified in the invoice. Risk transfers once goods are handed to the carrier.

5. Limitation of Liability

Liability shall not exceed the value of goods sold.
